### Hogwallow Kentuckian.

Gimlet Creek has been soting ver mysteriously in this country ity will testify that it hasn't rain or hasn't even looked like it might rain for over two weeks. Not withstanding this, the heretofors pacific stream of Gimlet Creek com menced rising Thursday picat and its banks were soon to flowing explanation, and his verdict of the creek's action must be what is talled a phenomena. That is as deep as the mystery could be penetrated.

Ites seated themselves on the of the straum and watched . culiar actions. Several valuable for DeWitt's—the genuine. Sold by ticles, such as hawg pens, cow. liawg troughs, brush piles, straw stacks, and grave yard fences comdown.0

The most useful thing that float ed down, however, was a church building. Hogwallow has not gof any place of worship, and the searest thing to it is a blacksmids very busy saving fodder. shop, so a movement was at once made to ketch the church and bring creek Tuesday, it ashore. And such an effort was so successfully accomplished that New Boston, Ohio, in a few days, utes, day and night, and passed a remedy, and on acount of the great the stalk field adjoining the post-A committee on investiention broke open the door, and were much pleased to need it fitted creek the other day. up with a ni e for the preacher to stand, beside as tolerable good old organ, a store, six put, leaf far.s. tolks Saturday and Sunday.
